WOMENNOVATOR ACCELERATION PROGRAM

The Womennovator Khabar

During your 14 weeks at Womennovator , you will forge bonds with mentors and other aspirants across the Womennovator Network. You will sit shoulder-to-shoulder with business leaders / entrepreneurs / social activists. You'll learn from other incubatees and faculty across countries. In one short year, you will grow a network that spans industries, cultures, and continents.

We encourage you to learn all that you can about the Womennovator and the Acceleration program powered by **Ernst & Young (GDS), Wadhvani Foundation, Shikhar Dhawan Foundation** and **FITT (IIT-Delhi)**. Here are some easy ways to begin:

“I wanted to learn and collaborate with experienced leaders from diverse industries and backgrounds, and get connected with the Public sector undertaking in India to pitch them my HVAC services; here at the Womennovator Incubation Program, I got the opportunity and support to do that .”

–**Hina Gupta , MG Colling Solutions**
