

Womennovator ख़बर

We are excited to share the latest news and achievements from Womennovator. July has been an inspiring month, featuring impactful initiatives and collaborations that highlight the incredible strength and potential of women across various sectors. Join us as we continue our mission to empower women and create a more inclusive and equitable world.

Female Labor Force Participation Rate (FLFPR)

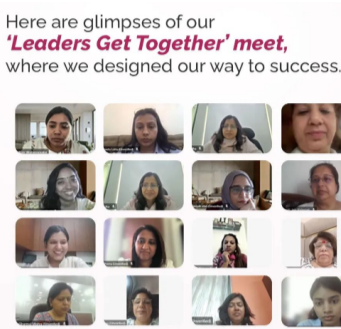

The recent FLFPR roundtable hosted by Womennovator was a resounding success, featuring distinguished guests such as Tripti Shinghal Somani, Founder of Womennovator; Dr. Payal Kanodia, Chairperson of YFLO; Ms. Kanta Singh, Deputy Country Representative at UN Women; and Ashutosh Sharma, President of the Indian National Science Academy.

The event brought together representatives from leading educational institutions, including Delhi University, Birla Institute of Technology and Science (BITS), and the Indian Institutes of Technology (IIT), alongside others such as Asian School of Business, Global Institute of Self Defense and Martial Arts, Jawaharal Nehru University, and Sushant University.

We are signing MOUs with these institutions to enhance women's workforce participation and developing a consultation paper for the government to advocate for awarding credits to colleges for tracking and improving the LFPR. This collaboration aims to empower women and strengthen the role of educational institutions in driving meaningful change.

Upcoming Events

We are pleased to share that our Open House Discussion on Menopause was successfully held. The event provided a safe and supportive space for participants to openly discuss their experiences, share insights, and support each other through this transformative stage. By addressing the stigma and silence often associated with menopause, we took a significant step towards creating a community that embraces this important journey with understanding and empathy.

The "We Pitch Dehradun" event is scheduled for 10th August 2024 and is organized by Priya Gulati, a dedicated Community Leader. This event will provide a platform for women entrepreneurs, social activists, and leaders to showcase their innovative ideas and initiatives. I'm a new paragraph block.

Womennovator, in partnership with GISC-GTU, presents the **We-Pitch Competition**, a premier offline event designed to empower and showcase women entrepreneurs and leaders. This unique platform connects startups, MSMEs, and social activists with industry experts and leaders, supporting their journey towards self-reliance.
