LEADER'S STAKEHOLDER MEET:

Effective leadership is not about making speeches or being liked; leadership is defined by results not attributes. Womennovator believes in co creating and working together with our leaders. We hosted our first hybrid leader stakeholder meeting on 16th December 2022. All our leaders joined us for the meeting. The idea behind the meeting was to have a glance at this year's programs and its impact followed by a discussion on the way forward.
