UPCOMING EVENT !!!

*Labour Force Participation Rate (LFPR)*

**Ready for the Pledge?**

**ACCESS TO HIGHER EDUCATION FOR YOUNG WOMEN HAS INCREASED BY 7 PERCENT IN INDIA**

In spite of more women accessing higher education, India's Female Labour Force Participation (FLFPR) has dropped by 8% in the last decade and a half

**REASON:**  
Marriage, Unfair working conditions and skewed opportunities

**PLEDGE WITH US:**  
WOMEN IN HIGHER EDUCATION MUST BE RETAINED & TRANSFORMED INTO THE WORKFORCE

**WORK FORCE**

**WOMEN** **MEN**

Each woman will be asked to sign a pledge, but will be asked to sign it, and will be given a pledge that will be used as a voluntary pledge.

Womenovator is an NGO tackling the low female labour force participation rate (LFPR) in India. They aim to increase the conversion rate of women entering education and joining the workforce. By partnering with colleges, they track and improve this conversion rate through consistent counselling, workplace inclusivity, partnerships with industry leaders, and skill-building programs.

## 100 Power Women

Stories of hidden gems  
from your local areas

DISCOVER

Womennovator has launched the 100 Power Women Program to recognize and celebrate the accomplishments of women in various sectors and cities.

The program aims to compile a list of 100 Power Women who have made significant contributions in their respective fields.

The initiative showcases the impact of women in [Sector/City] and inspires future generations of women to pursue their goals and aspirations.

Leaders are invited to nominate women from their fields based on defined criteria, including achievements, impact, influence, and contribution to society.
